

## Our Policies

### Tattooing:

When you initiate contact regarding the acquisition of a tattoo from Clear River Tattoo, a conversation will ensue which will detail the size, location, placement, style, spelling, time requirement, budget, and colour options that will come with the initiation of a new tattoo, if possible please provide us with images which are related to the project you are looking to acquire, and a monetary budget which you are comfortable working with. We will provide you with a rough mockup of the project and allow for revisions or changes within reason. Some projects may take longer and be more expensive than others and we will do our best to be accommodating to a wide range of needs and desires regarding the work that we offer and the budget that our clients can afford.

A deposit may or may not be required depending on the project but be prepared to leave one especially if you would like to see more finalized versions of the design before the project initiates. The dates available will be balanced according to mutual availability and convenience to make it as easy as possible to find a time for the appointment. It is significantly preferred if a project which requires many sessions can be scheduled for twice monthly appointments at a length and budget which is affordable for the client until the project is completed, though we will be accommodating to the needs of each individual circumstance.

When you arrive for your appointment please bring clothes which you find comfortable and will not impede you being at ease during the appointment, a healthy meal beforehand and a bottle of water is recommended as well as a good night's sleep the day before.

When the stencil is applied you will have the opportunity to ensure that you are satisfied with the composition and placement of the tattoo, and when you confirm you are happy with the direction of the project we will commence.

Once the appointment is over you will be given a verbal explanation of aftercare to ensure you are comfortable with the healing process of the tattoo, and if there are any questions you may have they will be answered, we can also provide a physical copy of the healing instructions if you request. If there are any questions regarding the healing process you may contact us after the appointment at any time and we will provide you with an answer to your questions as swiftly as possible.

If there is any adversity with the healing a touch up will be provided free of charge so as to ensure your tattoo is looking its best. There are no refunds for tattoos however if you are for some reason unhappy with work you have received we will ensure that we do what you need us to do to make it right and give you a tattoo you are one hundred percent satisfied with.
